

Layland Walker shortlisted as a finalist for “Property Investor of the year” at the Health Investor Awards 2019

Layland Walker has been shortlisted as finalist for “Property Investor of the year” at the 2019 Health Investor Awards in June. This is the second time in 3 years that Layland Walker has been shortlisted. This reflects the work done on expanding and enhancing the assets under management which culminated in the sale of the portfolio of 92 care homes for £450m to Aedifica, a pan European REIT specialising in Healthcare Property.

Layland Walker continues as the asset manager for the UK portfolio for Aedifica for another 3 years. The UK now represents some 20% of Aedifica’s portfolio of c. €2.6bn across Belgium, Holland, Germany and UK.

Bruce Walker, founder & CEO of Layland Walker, commented:

“Whilst we are more concerned with delivering results than awards, it is nice for the excellent work done by the team to be recognised in the sector.”
